Application for Permit of Construction and Alteration Passenger Ropeways & Passenger Conveyors

Applicant: For additional information regarding fees and mailing address, please refer to: aedarsa.com

Please Print All Information

AEDARSA assigned S#

1 **This application is for a Permit of:** Construction Alteration **FEE** See Note 1 Reverse Side for Fee Schedule
(Check beside the type of application) **Note:** Use one application for each conveyance

2 **Applicant Name:** (Name, Mailing Address, Phone Number, Email Address)
Name: _____ Mailing Address: _____
Phone Number: _____ Email Address: _____

3 **Site Name:** (Park or Building Name, Address, City, Postal Code)
Park or Building Name: _____ Address: _____
City: _____ Postal Code: _____

4 **Area/Owner:** (Name, Mailing Address, Phone Number, Email Address)
Name: _____ Mailing Address: _____
Phone Number: _____ Email Address: _____

5 **Installation Contractor:** (Name, Mailing Address, Phone Number, Email Address)
Name: _____ Mailing Address: _____
Phone Number: _____ Email Address: _____

6 **Manufacture/Installation Engineer:** (Name, Mailing Address, Phone Number, Email Address)
Name: _____ Mailing Address: _____
Phone Number: _____ Email Address: _____

7 **Class of Passenger Ropeway/Conveyor:** (See Note 2 Reverse Side)

8 **Type of Passenger Ropeway/Conveyor:** (See Note 3 Reverse Side)

9 **Manufactured By:** (Company Name) **Serial Number:**

10 **List all authenticated drawings and supporting documents submitted by registered engineering professionals in support of this application:**
As a minimum, submit plans, specifications, documentation listed in Appendix A of CSA Z98-24, as applicable to the type of ropeway.
Note: Attach Additional Information as Required

11 **Alteration: Describe the scope of the proposed alteration. As a minimum, submit plans, specifications, documentation listed in Appendix A of CSA Z98-24, as applicable to the type of ropeway/conveyor and the scope of the proposed alteration.**
Note: Attach Additional Information as Required

12 **Indicate if this is a resubmission:** Yes No
If the equipment or its arrangement is changed after plans have been registered revised plans covering the changes must be resubmitted for acceptance.
Note: Attach Additional Information as Required

<p>13 The code used for design, manufacture and installation of the ropeway/conveyor in this application is CSA Standard: (See Note 4 on Reverse Side) This is to certify that the passenger ropeway/conveyor in this application complies with the above referenced code in its design. I understand an As-built Verification is required upon completion of the construction or alteration in support of this application: Signature:</p>	<p>14 Alberta Registered Engineering Professional Authentication and Permit to Practice. <i>"I certify that the proposed Scope of Work and the accompanying drawings identify the applicable safety code requirements and demonstrate compliance with all relevant provisions of the Safety Codes Act and the adopted codes and standards. I further certify that all affected systems are designed to be safe for all intended modes of Operation."</i></p>

APPLICANT: FOR ADDITIONAL INFORMATION REGARDING FEES AND MAILING ADDRESS PLEASE REFER TO THE REVERSE SIDE OF THIS DOCUMENT

Applicant's Signature:	Print Name:	Date:
-------------------------------	--------------------	--------------

AEDARSA Use Only

Certificate of: Construction Alteration

Certificate issued: Yes No

Variance granted: Yes No

Conditions attached: Yes No

Application reviewed by: _____ **Date:** _____

For Your Information

Note 1: The fees for Permits of Construction or Alteration are as follows:

TYPE OF DEVICE	FEE	GST	TOTAL FEE
a) Rope Tow and Rope Tows for Secondary Carriers	\$485.00	\$24.25	\$509.25
b) Surface Lift (T-Bar, J-Bar, Platter Lift, Lift for Secondary Carriers)	\$485.00	\$24.25	\$509.25
c) Conveyor	\$485.00	\$24.25	\$509.25
d) Above Surface Lift (Chair Lift)			
i) Fixed Grip	\$970.00	\$48.50	\$1018.50
ii) Detachable	\$1455.00	\$72.75	\$1527.75
e) Above Surface Lift (Gondola Lift)			
i) Fixed Grip	\$970.00	\$48.50	\$1018.50
ii) Detachable	\$1455.00	\$72.75	\$1527.75
f) Above Surface Lift (Reversible Aerial Ropeway)	\$1455.00	\$72.75	\$1527.75

Note 2: Class of Fixed Conveyance(s)	Note 3: Type of Fixed Conveyance(s)
Above Surface Lift (Reversible Aerial Ropeway)	a) Single b) Double
Above Surface Lift (Chair Lift)	a) Fixed Grip - with carrier passengers that remain on the haul rope during normal operation b) Detachable - with passenger carriers that are normally removed from the haul rope at stations or terminals during normal operation
Surface Lift	1. T-Bar 2. J-Bar 3. Platter 4. Bar/Platter Type Lift Used as Ropeway for Secondary Carriers
Rope Tow	1. Fibre Rope 2. Wire Rope 3. Tow for Secondary Carriers
Conveyor	1. Passenger Conveyor

Note 4: Adopted Codes in Alberta are CSA Standards:

- a) CAN/ CSA Z98-24 Passenger Ropeways and Passenger Conveyors

Note 5: Make fees payable to:

AEDARSA (Alberta Elevating Devices and Amusement Rides Safety Association)
